Mansarovar Dental College was established in 2007 by Sri Sai Gramathan Samiti at Ward-84, Hinotia Aalam, Kolar Road, Bhopal, Madhya Pradesh to offer students a combination of professional training with state of the art infrastructure. The college is spread across 25 acres of land with an intake of 100 seats in the BDS course and MDS course across various disciplines. Mansarovar Dental College is ranked as one of the best dental colleges in central India.

The students of Mansarovar Dental College have demonstrated their valour and academic expertise at various occasions. They have taken the college to an international level through their research publications, paper presentation and lectures across the country. We have regularly produced universityoppers from our institution with the able guidance of our expert faculty members across various departments.

Mansarovar Dental College offers a unique opportunity for students to involve in various research and development projects in association with various external organizations, in house research center and other associated institutions run by the Society.

We have also introduced mentor - mentor program by virtue of which a small group of students will be in direct contact with the faculty members so that students can receive individual attention.

To spread the know ledge of dentistry among dental students and practitioners, our institute regularly organizes various CDE programs. In this chain, the institute is pleased to organize a CDE program on *MANI Silk Partial Heat Treated Nickel-Titanium Rotary Instrumentation System* on 12th December 2017. It also gives us pleasure to state that Mansarovar Dental College is the first college in Central India to officially launch *MANI Silk Nickel-Titanium Rotary Instrumentation System*.
