Talk with International Karate Athlete Supriya Jatav on 18/03/2021

Conducted for all students and faculties

The COVID-19 pandemic has brought this fast-moving world to a standstill. The impact of this pandemic is massive. Regular physical activity, while taking other precautions, is also considered effective in dealing with the health outcomes of the COVID-19 pandemic. Exercise and physical activities have important functions for individuals' psychological well-being as well. Karate Athlete Supriya Jatav has encouraged and motivated our students on our #TeaTalk event to take participate in physical activities and sports as we offer an array of sports to our students like cricket, futsal etc.

Seminar on Child Protection a concern for Everyone on 23/11/2021

Speaker: Sarita Anand

Violence against children is widespread and remains a harsh reality for millions of children from all socio-economic groups in India. Both girls and boys in India face early marriage, domestic abuse, sexual violence, violence at home and in school, trafficking, online violence, child labour and bullying.

Ms Sarita Anand, Executive director from Angels Social Development & Research Association, Bhopal started the session by introducing the students to the global stand of UNICEF about 'child protection and how children are uniquely vulnerable to abuses against them. She discussed Article 19 of the UN Convention on the Rights of the Child. Then she explored the areas of vulnerability of children keeping the context of Indian environment in the background. She spoke about various child protection acts and schemes like Juvenile Justice (Care & Protection) Act, Integrated Child Protection Scheme, and POSCO. This seminar was an opportunity for the students to develop a deeper understanding of the contents and implications of child rights in India.

Seminar on Sexual Harassment of women at workplace on 30/11/2021

Speaker: Prathana Mishra

On 30/11/2021, seminar was organized on Sexual harassment of women at workplace. This orientation seminar was organized for students and faculties of Mansarovar Dental College. The objectives of orientation were to sensitize the audience against the sexual harassment at workplace and campus and make them aware of the policy on these issues and the support system available at the Institute. The distinguished speaker namely, Prathana Mishra, Director from Sangani NGO was invited for this programme. Mrs. Prathana Mishra explained about the law of Vishakha Guidelines. Since 2013 the prevention and prohibition act in order to prevent sexual harassment has come out very strongly. She explained the definition of Sexual Harassment and covered many points. Also introduced Guidelines, complaint mechanism, what are the preventive steps, employer's responsibilities. She also explained the definition of employees and what is workplace. She also mentioned that "No witness does not mean false complaints." She also stated that RTI is not applicable. At the end, many students asked doubts to guest speakers.

Women's Self Defense Program on 01/12/2021

By: Dr. Breeze Tripathi

Self-defence helps to prepare you for unexpected situations and also helps to develop mental and physical health. Mansarovar Dental College organized a Women's Self-Defence Program on 01/12/2021. The resource person for the program was Dr. Breeze Tripathi, member of child welfare committee of Bhopal. The program was conducted to boost the self-confidence of the girls and to make them able to act in unfavourable situations. The girls were taught simple ways of self defence and they were also spoken to about tackling situations in which they found themselves to be under any kind of harassment. The safety of the girl child should be given maximum priority and hence the workshop was seen as a boon to the girls who often have to travel away from their homes for studies and work.

Seminar on Drug Abuse and its Management On 30/12/2021

Speaker: Dr. R.K. Bairagi and Dr. Rahul Sharma

Young people who persistently abuse substances often experience an array of problems, including academic difficulties, health-related problems (including mental health), poor peer relationships, and involvement with the juvenile justice system. Additionally, there are consequences for family members, the community, and the entire society. Hence Mansarovar Dental College has taken the initiative to conduct and present to our students and faculty an awareness programme on drug abuse and its management on 30th of December 2021. Our honorable speakers Dr. R.K. Bairagi and Dr. Rahul Sharma enlightened the knowledge on numerous aspects in etiology, clinical features, pharmacological management and psychotherapies on drug abuse.
