World AIDS day on 01/12/2022

Each World AIDS Day focuses on a specific theme and for this year it is "Equalize".

UNAIDS is urging each of us to address the inequalities which are holding back progress in ending AIDS. There is still a critical need for increased funding for the AIDS response, to increase awareness of the impact of HIV on people's lives, to end stigma and discrimination, and to improve the quality of life of people living with HIV. Mansarovar Dental College has conducted a program to make the people aware about it.

A talk on “Stress Management” on 13/04/2023

Speaker: Sister Hema and Sister Dr. Divyani

Physical comforts are increasing day by day but at the cost of an increase in mental stress. Due to continuous mental work, peer pressure, and family and personal problems mind becomes stressed. They feel tired and exhausted at the end of the day. Relaxation & meditation brings sound sleep and calmness to mind. Around these thoughts, the two-hour session began with talk, light exercise, and music for the participants. It helped the students relax and concentrate, which was the mantra for the day “Relaxing Helps to Reduce Stress.” Mansarovar Dental College organized a talk on “Stress Management” for faculties, interns, and students. The guest speakers were Sister Hema and Sister Dr. Divyani from Bhramakumari, Neelbad, Bhopal, on 13th April 2023 at Mansarovar Dental College Auditorium.

A talk on "Emotional Intelligence" on 15/04/2023

By: Dr. Breeze Tripathi

The most effective leaders are all alike in one crucial way: They all have a high degree of what has come to be known as emotional intelligence. Over the years, emotional intelligence has evolved into a must-have skill. Research has shown that emotional intelligence is the strongest predictor of performance and people with high emotional intelligence are more likely to stay calm under pressure, resolve conflict effectively, and respond to others with empathy. Mansarovar Dental College organized a talk on "Emotional Intelligence" for students, interns, and faculties. The guest speaker was Dr. Breeze Tripathi from PSS Central Institute of Vocational Education, Bhopal, on 15th April 2023 at Mansarovar Dental College Auditorium.

Seminar on " Recent Trends in Diagnosis of Potentially Malignant Disorders" on 17/04/2023

By Dr Hina Handa

Oral cancer is widely prevalent in low-and middle-income countries with a high mortality rate and poor quality of life for patients after treatment. Early treatment of cancer increases patient survival, improves quality of life, and results in less morbidity and a better prognosis. Keeping this futuristic goal in mind, Mansarovar Dental College has organised a talk on "Recent Trends in Diagnosis of Potentially Malignant Disorders" by Dr Hina Handa, Reader, Dept. of Oral Medicine and Radiology, Peoples Dental Academy, Bhopal on 17th April 2023 at Mansarovar Dental Auditorium

A talk on Professional Ethics and Personality Development on 20/04/2023

By Mr. Rahul Malviya

Professional ethics and personality development are critical components of career success. They refer to the process of enhancing one's personal qualities and traits, such as communication skills, emotional intelligence, and leadership abilities. Mr. Rahul Malviya delivered an insightful talk aimed to enlighten students about the importance of upholding ethical standards in their respective professions and how positive character traits can contribute to their overall success both personally and professionally. Mansarovar Dental College has conducted a talk on “Professional ethics and personality development” for the welfare of students on 20/04/23 by Mr. Rahul Malviya.
