Students's feedback

S.No.	Feedbacks	Action Taken
1.	The course content needs to be expanded to achieve the desired outcome.	Official instructions were distributed to all departments by the competent authority to address attainment of course outcome (Cos) & program outcomes (POs). Lesson plan should be revised to improve students' understanding.
2.	Students emphasized on more industrial and field visits based on the courses. Need for extension activities fitting the current trends.	Regular field visits, industrial visit were conducted during the session. Students also got training in "Simulation centre Chirayu Medical College" to develop their clinical skill.
3.	Need for advance equipment in facilities and hands on practice.	New advanced equipment, addition in number of equipment and hands on trainings were arranged by the college.

Teacher's feedback

S.No.	Feedbacks	Action Taken
1.	Curriculum may be made more flexible, value oriented and employable.	Feedbacks given by all the concern HODs were considered as recommendation to be put forwarded in BOS meeting for implantations by BOS members of the college.
2.	Interdisciplinary / interdepartmental and collaborative approach must be encouraged among faculties.	Interdisciplinary and interdepartmental initiatives promoted by the IQAC have been enhanced through collaborations with various MOUs.
3.	More FDPs should be conducted	Many FDPs have been conducted

Feedback from Professionals

S.No.	Feedbacks	Action Taken
1.	Suggestion to sign more MOUs with different organizations for the placement of the students.	Many MOUs from different organizations like Manipal University College, Malaysia have been signed One MOU from Malaysia university was also signed for Students exchange programme.

Feedback from Employers

1.	Suggestion to enhance personality development and general communication skills.	Various programmes like Personal effectiveness at workplace, Art of presenting : Let's ace the skill, and Personality development session for male have been conducted.
2.	Evidence based practical demonstration	Formal instructions were circulated to all departments through competent authority for addressing the issue. A new value added course "Evidence based dentistry" was introduced in this session

Feedback from Alumni

S.No.	Feedbacks	Action Taken
1.	Suggestion to make availability of online resources required for study and research purpose.	A wide range of national and international e-books and e-journals in the were made available
2.	A large number of students desire the installation of CCTV cameras in the college	Several CCTV cameras have already been placed in and around the building, and plan to increase. This number are already in the pipeline.
3.	Organizing more workshops, field trips, students exchange programmes and cultivating a healthy student-teacher bond has been proposed to enhance the learning experience of students for their holistic development.	The institution has taken cognizance of this and these suggestions have been shared with the relevant authority for consideration and appropriate action.

Dr. B. Gurudutt Nayak
