MANSAROVAR DENTAL COLLEGE

Mansarovar Campus, Rani Avanti Bai Marg, Village- Hinotia Aalam,
Ward No. 84, Kolar Road, Bhopal (M.P) 462042

Tel: +91-9111777225, 761158888. Website: www.mansarovardentalcollege.com

19. A dedicated team of IT professional is available for helping the staff to prepare teaching and learning materials.
20. The workshops are conducted for staff and students on photography and photoshop to help to improve their presentation.
21. A photographer is available in the college to take photographs and also prepare video presentations to help prepare lecture materials.
22. Web-based Learning Management system
23. Interactive live patient demo during workshops with external experts in their respective specialties.
24. The students are encouraged to do various short study projects, research, and patents related to dentistry.

These are all student-centered methods of teaching and learning to understand the concept easily. The impact of such practices is evident in the overwhelming results achieved in the university examination. In the last 5 years our students have achieved the top 10 ranks in various positions in the university examination conducted by MPMSU Jabalpur.
