## INSTITUTIONAL PARENTS- TEACHER COMMITTEE

### Action Taken Report [ONLINE]

### Year 2020-21

<b>FEEDBACK FROM 2019-20</b>	<b>ACTION TAKEN DURING 2020-21</b>
Parents were happy with the anti ragging measures employed by the institute. They appreciated the working of the mentor system.	
Few parents wanted regular interaction with teachers. Extra classes should be provided to group of students separately.	Due to online classes a mentor is been assigned to every 20 students for their doubt clearing sessions. Various online quiz competition poster presentations etc was carried out to engage the students in academics.
Parents asked for additional study materials to enhance the learning.	All the subject teachers provide topic wise power point presentations. Test papers and additional learning materials is Shared. Regular interactions with parents & students were taken out simultaneously.

### OUTCOME ANALYSIS:

Parents & Students were extremely satisfied with the online classes.

Students reported that study materials and regular test series help them to enhance their academics.

## INSTITUTIONAL PARENTS- TEACHER COMMITTEE

### Action Taken Report

### Year 2019-20

FEEDBACK FROM 2018-19	ACTION TAKEN DURING 2019-20
Parents appreciate the teaching faculties, teacher student communication, availability of teachers and food provided in the hostel, cleanliness in the campus and in the hostels.	
Few students requested that library books should be issued for at least 15 days instead of 7 days.	A meeting was held with the librarian to discuss the feasibility. As increasing the number of days for issuing of books was not possible, library timing was increased by on hours so as to allow more time for the students to study.
Few parents complained that a lot of rush developed in the mess during meal times as there were less food serving counters. Although quality of food in the mess is appreciated.	Mess in charge was intimated about the issue and asked to increase the number of food counters.

### OUTCOME ANALYSIS:

Students were satisfied with the steps taken by the Parent-teacher committee to make things streamlined in the hostel to resolve their issues.

Year 2018-19

FEEDBACK FROM 2017-18	ACTION TAKEN DURING 2018-19
Parents were extremely satisfied with the hostel facilities, anti-ragging measures employed the institute, teaching facilities, security in the campus, teacher student communication, and food provided in the mess and availability of teachers.	
Parents requested incorporation of extracurricular activities on a more regular basis in academics. Some Parents raised issue for language teacher.	Departments were advised to begin activities such as quiz essay competitions during class hours to break the monotony and make learning a more enjoyable experience. More library time is added to the curriculum. Year wise language classes is introduced.
Few parents requested regular visits of the electricians and plumbers rather than their coming when called for. Some Parents wants separate launderer for girls and boys hostel for early availability in hostels.	A meeting was held with the hostel in-charge to discuss the feasibility. It was decided that the electrician will visit the hostel once a month apart from that when called for. It was decided that the helpers present in the hostel will take care of the laundry on a regular basis with extra charges.

### OUTCOME ANALYSIS:

Students and parents were happy with the measures taken by the parent-teacher committee to promote development of students.

Students were satisfied with the steps taken by the Parent-teacher committee to make things streamlined in the hostel to resolve their issues.
