About SWAYAM

SWAYAM is a programme initiated by Government of India and designed to achieve the three cardinal principles of Education Policy viz., access, equity and quality. The objective of this effort is to take the best teaching learning resources to all, including the most disadvantaged. SWAYAM seeks to bridge the digital divide for students who have hitherto remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy.

This is done through a platform that facilitates hosting of all the courses, taught in classrooms from Class 9 till post-graduation to be accessed by anyone, anywhere at any time. All the courses are interactive, prepared by the best teachers in the country and are available, free of cost to any learner. More than 1,000 specially chosen faculty and teachers from across the country have participated in preparing these courses.

The courses hosted on SWAYAM are in 4 quadrants – (1) video lecture, (2) specially prepared reading material that can be downloaded/printed (3) self-assessment tests through tests and quizzes and (4) an online discussion forum for clearing the doubts. Steps have been taken to enrich the learning experience by using audio-video and multi-media and state of the art pedagogy / technology.

In order to ensure that best quality content is produced and delivered, nine National Coordinators have been appointed. They are:

1. AICTE (All India Council for Technical Education) for self-paced and international courses
2. NPTEL (National Programme on Technology Enhanced Learning) for Engineering

Institutional LMS

The screenshot shows a web browser window displaying the Mansarovar Dental College website. A modal window for the Learning Management System (LMS) is open, prompting for a 'User id' and 'Password' to log in. The website header includes the college's name, contact numbers, and a navigation menu with categories like 'FACULTIES', 'INFRASTRUCTURE', 'ACADEMIC', 'NEWS AND EVENTS', and 'CONTACT US'. A banner for 'NEET TEST SERIES 2022' is visible, along with a 'Latest News' section mentioning an expert lecture at Hungary.
