Mansarovar Dental College

Strategic plan
2017-2022

VISION AND MISSION

VISION

- *To create an ultimate learning environment, so as to produce intelligent, highly skilled and conscientious doctors for the upliftment of society and humanity.*

MISSION

- *To encourage high quality dental education that focuses on learning necessary information and skills in the delivery of oral health services.*
- *To create a learning atmosphere in which scientific temperament and reasoning are instilled providing motivation for research in the field of oral health services.*
- *To foster a cooperative culture, teamwork, verification, collective accountability, inclusive leadership and social commitment.*

Assessing our strength and weakness

STRENGTH

- Capable and experienced teaching faculty
- Visionary and encouraging management leadership.
- Good financial support.
- Abundant patient footfall for student training.

WEAKNESS

- No accreditation
- Less than optimum international exchange and exposure programs
- Less exposure to government initiatives other than academics for extraordinary skill developments.

What can be improved?

- Employment opportunities can be improved by exchange of ideas, expectations and feedbacks by prospective employers such as Hospitals.
- Digital integration of teaching content and enhancement of e-learning.
- Research and clinical trials.
- Professional outreach program can be increased to indirectly increase job opportunities.

Strategic plan for achieving vision and mission.

Teaching and learning

- Deploy and enhance e-learning initiatives.
- Use of innovative educational techniques.
- Work to achieve NAAC accreditation and fulfill NAAC based education guidelines.
- Assessment and feedback system

Research and Development

- Create and register institutional ethical committee.
- Enhance and encourage publication in indexed journals of great repute.
- Create a center for research by allotting funds and create an incubation center.
- Encourage faculties and post graduates to achieve patents for innovative research done.
