6.5.3 Annual report of the college

MANSAROVAR DENTAL COLLEGE, BHOPAL

Institutional Annual Report: 2017-18

The Institution has a clearly stated Vision and Mission which are reflected in its academic and administrative governance.

The Vision and Mission of College are

1. To encourage high-quality dental education that focuses on learning necessary information and skills in the delivery of oral health services.
2. To create a learning atmosphere in which scientific temperament and reasoning are instilled, providing motivation for research in the field of oral health care.
3. To educate young dentists on how to provide high-quality dental care with empathy, concern, and competence.
4. To efficiently implement the prescribed curriculum for academic programs.
5. Work effectively with the affiliating and apex bodies to bring about essential adjustments in the course structure and design (as mandated by the current needs of the profession) so that the courses are more contemporary.
6. To foster a cooperative culture, teamwork verification, collective accountability, inclusive leadership, and social commitment.
7. To educate dental students in the principles of both theoretical and clinical dentistry so that they can effectively perform general dentistry and deliver general and specialized dental treatment.
8. Introduce and include undergraduate students in research activities and scientific presentations in order to encourage them to pursue further education.
9. To inspire and motivate post-doctoral students and faculty to achieve their full potential and to fill the gap between therapeutic research and practice.

MANSAROVAR DENTAL COLLEGE, BHOPAL

Institutional Annual Report : 2018-2019

The Institution has a clearly stated Vision and Mission which are reflected in its academic and administrative governance.

The Vision and Mission of College are

1. To encourage high-quality dental education that focuses on learning necessary information and skills in the delivery of oral health services.
2. To create a learning atmosphere in which scientific temperament and reasoning are instilled, providing motivation for research in the field of oral health care.
3. To educate young dentists on how to provide high-quality dental care with empathy, concern, and competence.
4. To efficiently implement the prescribed curriculum for academic programs.
5. Work effectively with the affiliating and apex bodies to bring about essential adjustments in the course structure and design (as mandated by the current needs of the profession) so that the courses are more contemporary.
6. To foster a cooperative culture, teamwork verification, collective accountability, inclusive leadership, and social commitment.
7. To educate dental students in the principles of both theoretical and clinical dentistry so that they can effectively perform general dentistry and deliver general and specialized dental treatment.
8. Introduce and include undergraduate students in research activities and scientific presentations in order to encourage them to pursue further education.
9. To inspire and motivate post-doctoral students and faculty to achieve their full potential and to fill the gap between therapeutic research and practise.

MANSAROVAR DENTAL COLLEGE, BHOPAL

Institutional Annual Report : 2019-2020

The Institution has a clearly stated Vision and Mission which are reflected in its academic and administrative governance.

The Vision and Mission of College are

1. To encourage high-quality dental education that focuses on learning necessary information and skills in the delivery of oral health services.
2. To create a learning atmosphere in which scientific temperament and reasoning are instilled, providing motivation for research in the field of oral health care.
3. To educate young dentists on how to provide high-quality dental care with empathy, concern, and competence.
4. To efficiently implement the prescribed curriculum for academic programs.
5. Work effectively with the affiliating and apex bodies to bring about essential adjustments in the course structure and design (as mandated by the current needs of the profession) so that the courses are more contemporary.
6. To foster a cooperative culture, teamwork verification, collective accountability, inclusive leadership, and social commitment.
7. To educate dental students in the principles of both theoretical and clinical dentistry so that they can effectively perform general dentistry and deliver general and specialized dental treatment.
8. Introduce and include undergraduate students in research activities and scientific presentations in order to encourage them to pursue further education.
9. To inspire and motivate post-doctoral students and faculty to achieve their full potential and to fill the gap between therapeutic research and practise.

MANSAROVAR DENTAL COLLEGE, BHOPAL

Institutional Annual Report : 2020-21

The Institution has a clearly stated Vision and Mission which are reflected in its academic and administrative governance.

The Vision and Mission of College are

1. To encourage high-quality dental education that focuses on learning necessary information and skills in the delivery of oral health services.
2. To create a learning atmosphere in which scientific temperament and reasoning are instilled, providing motivation for research in the field of oral health care.
3. To educate young dentists on how to provide high-quality dental care with empathy, concern, and competence.
4. To efficiently implement the prescribed curriculum for academic programs.
5. Work effectively with the affiliating and apex bodies to bring about essential adjustments in the course structure and design (as mandated by the current needs of the profession) so that the courses are more contemporary.
6. To foster a cooperative culture, teamwork verification, collective accountability, inclusive leadership, and social commitment.
7. To educate dental students in the principles of both theoretical and clinical dentistry so that they can effectively perform general dentistry and deliver general and specialized dental treatment.
8. Introduce and include undergraduate students in research activities and scientific presentations in order to encourage them to pursue further education.
9. To inspire and motivate post-doctoral students and faculty to achieve their full potential and to fill the gap between therapeutic research and practise.

Institutional Annual Report : 2021-22

The Institution has a clearly stated Vision and Mission which are reflected in its academic and administrative governance.

The Vision and Mission of College are

1. To encourage high-quality dental education that focuses on learning necessary information and skills in the delivery of oral health services.
2. To create a learning atmosphere in which scientific temperament and reasoning are instilled, providing motivation for research in the field of oral health care.
3. To educate young dentists on how to provide high-quality dental care with empathy, concern, and competence.
4. To efficiently implement the prescribed curriculum for academic programs.
5. Work effectively with the affiliating and apex bodies to bring about essential adjustments in the course structure and design (as mandated by the current needs of the profession) so that the courses are more contemporary.
6. To foster a cooperative culture, teamwork verification, collective accountability, inclusive leadership, and social commitment.
7. To educate dental students in the principles of both theoretical and clinical dentistry so that they can effectively perform general dentistry and deliver general and specialized dental treatment.
8. Introduce and include undergraduate students in research activities and scientific presentations in order to encourage them to pursue further education.
9. To inspire and motivate post-doctoral students and faculty to achieve their full potential and to fill the gap between therapeutic research and practise.
