Report on 75th Independence Day celebration

2022-2023

TITLE	75 th Independence Day
DATE	15/08/2022
VENUE	Mansarovar Dental College
SUMMARY	<p>Mansarovar Dental College in collaboration with My FM radio station conducted an oath ceremony for 'Har Ghar Tiranga' campaign organized by Govt. of India on 8 August 2022.</p> <p>'Har Ghar Tiranga' is a campaign under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence. Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation-building.</p> <p>Principal Dr. B Gurudutt Nayak, all the staff members, and students took an oath for respecting our national flag and to make Har Ghar Tiranga campaign successful. The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag.</p>

Report on Onam celebration 2022-2023

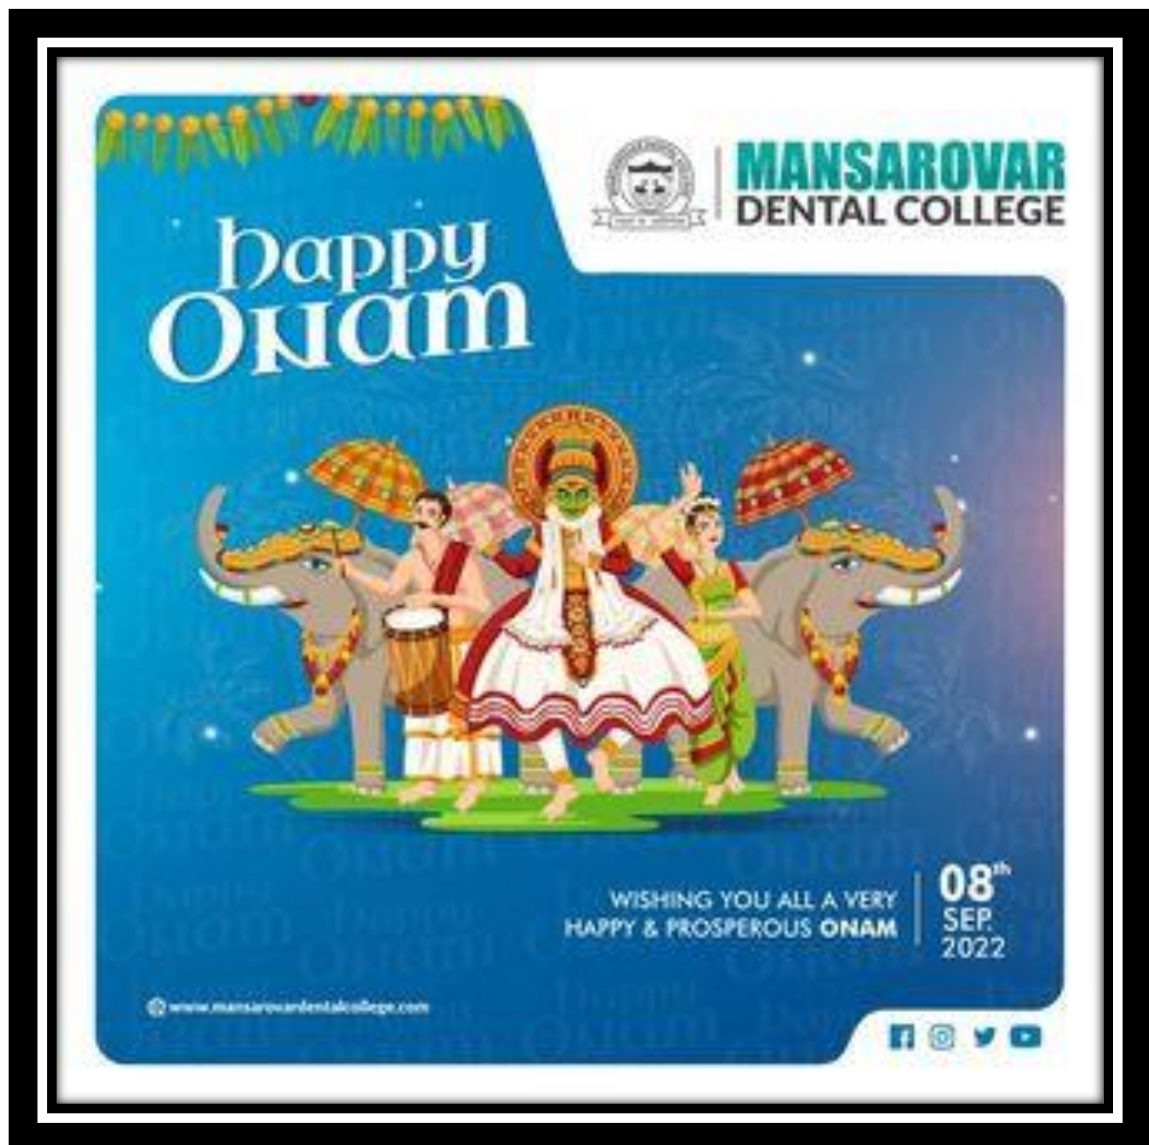

TITLE	Onam celebration
DATE	08/09/2022
VENUE	Mansarovar Dental College
SUMMARY	<p>Onam is a festival celebrated by Malayalis in Kerala or in any other part of the world to mark the homecoming of the Great King Mahabali. It is also said to mark the harvest season of god's own country Kerala. A festival of unity and harmony where despite of any religion everyone come together as one.</p> <p>Mansarovar Dental College celebrated Onam on the college premises amidst much funfair involving staff and students of the college. The celebration included among several other activities with setting up of an attractive floral decoration (pookalam) in the entrance area that was reminiscent of the agrarian past of Kerala, a South Indian state. Impressive designs and artistic creativity were the hallmarks of the Pookalam, which turned out to be attractive and mesmerizing and took everyone into a world of festivity and fun.</p> <p>Mansarovar Dental College extends warm wishes to all. relationships, and lead a fulfilling life. She emphasized that building emotional intelligence helps students empathize with others and themselves and deal with difficult situations without getting frazzled. She also pointed out the various ways one can develop emotional intelligence, such as self-awareness, self-regulation, motivation, empathy, and social skills. She encouraged them to practice these skills daily and incorporate them into their daily lives.

The session seemed very useful and efficient in building up the ability to acknowledge, understand, and control one's emotions. The participants of the workshop had a wonderful experience during various practice sessions and exercises. The session ended with a thank you note from the Principal and National Anthem

Report on recent trends in diagnosis of potentially malignant disorder programme 2022-2023

TITLE	“Recent Trends in Diagnosis of Potentially Malignant Disorders”
DATE	17/04/2023
VENUE	Mansarovar Dental College
SUMMARY	<p>Mansarovar Dental College organized a talk on “Recent Trends in Diagnosis of Potentially Malignant Disorders” for students, interns, and faculties. The guest speaker was Dr. Hina Handa, Reader, Department of Oral Medicine and Radiology, People’s Dental Academy, Bhopal, on 17th April 2023 at Mansarovar Dental College Auditorium. Miss. Kriti, a 2nd Year B.D.S student, was the master of the ceremony. The program commenced with a lamp lighting ceremony and Saraswati Vandana followed by the felicitation of the Guest Speakers by Dr. B. Gurudutt Nayak, Principal, and Dr. Tripty Rahangdale, Vice Principal, followed by a welcome note by the Principal.</p> <p>Oral squamous cell carcinoma is a major public health concern worldwide and a growing threat for rapidly developing economies such as India, where it ranks among the top three cancers. India shares a quarter of the world’s burden of oral cancer. The speaker laid emphasis on the early detection of malignancies as it can minimize the rate of morbidity by the disease, which is otherwise associated with a severe loss of function, disfigurement, depression, and poor quality of life. The newer detection techniques discussed were using dyes for staining like toluidine</p>

blue, brush cytology, autofluorescence, chemiluminescence, narrow band imaging, Raman spectroscopy, fiberoptic endoscopic visualization, salivary proteomics, DNA analysis and identification through cancer biomarkers. She also said that the newer diagnostic techniques have many advantages over the conventional ones, like they are noninvasive, economical, and can be easily performed in an outpatient set-up, thus minimizing patient discomfort and the need for tissue biopsies that are otherwise more invasive.

The participants of the workshop found the lecture very informative and well-crafted. The session ended with a thank you note by Dr. Nitin Awasthi, Reader, Dept. of Oral Pathology and Microbiology and National Anthem.

Report on personality dynamic

Programme 2022-2023

TITLE	Personality dynamics
DATE	24/04/2023
VENUE	Mansarovar Dental College
SUMMARY	<p>Personality dynamics is an umbrella term that encompasses all processes, mechanisms, and changes that are involved in the development and manifestation of personality. Dynamics of personality type take you deeper on your journey of self-discovery. It explains how you access and gather information and how you evaluate that information. These are the two basic processes you use every minute of every day in every situation. Explaining individual differences in what people think, feel, and want and how they behave is at the core of many psychologists' research. The study of personality dynamics aims to provide an explanatory account of an individual's thoughts, feelings, motivations, and behaviors and their patterning. Thus, to understand this concept better, Mansarovar Dental College will be organizing a program on "Dynamics of Personality" on 24th April 2023 at Mansarovar Auditorium from 11.00 AM onwards by eminent guest speaker Dr. Shaifali Tripathi, for our students, interns, and faculties</p> <p>National Public Health Dentistry Day is celebrated on 19th June every year in India.
