specialization. He went on to state that the mandate of this college is to train professionals of high moral caliber and clinical skills of internationally acceptable standards.

Dr.Richa Agrawal Gargava, Professor, of the Department of Periodontology, and Dr.MaulsreeGuleria, Senior lecturer, the Department of Conservative Dentistry & Endodontics oriented the BDS and MDS students respectively to their curriculum and introduced the new students to life at the campus and facilities provided by the institution. During the session the students were oriented towards the dental curriculum, scope of dentistry, about the various branches of dentistry, pre-clinical and clinical departments and postings and were also made aware of their moral and cultural duties and responsibilities. The students were also sensitized regarding the various committees in the college like the student welfare committee, Anti Ragging Cell, Women's Grievance & Redressal Committee etc and can approach them as and when required.

Dr.Tripty Rahangdale, Professor and Head, Department of Prosthodontics and Crown & Bridge administered the Maharshi Charka Shapath to all the students to the solemnity of the education they are dedicating themselves to.

Dr.Saurabh Shrivatsav, Reader, Department of Prosthodontics and Crown & Bridge proposed the vote of thanks.
