REPORT ON FEMALE FOETICIDE PROGRAM 2018-2019

Title	Seminar on Female Foeticide
Speaker	Dr. Aruna Tiwari
Date & Time	23/11/2018 11am to 12:30 pm
Venue	Auditorium, Mansarovar Dental College
No. of Participants	102
Summary	<p>Mansarovar Dental College conducted a seminar on Female Foeticide on 23/11/2018. The speaker for the session was Dr. Aruna Tiwari, practicing Gynaecologist in the city of Indore. The speaker stressed on the gender equality. She also explained about the PCPNDT Act by Indian Government. The PCPNDT Act oversimplifies a complex problem by placing the moral and legal onus on physicians instead of on patients committing female foeticide and the families supporting them. She also stated that Indian society as a whole shares the collective responsibility for female foeticide. Yet, Indian physicians are in a unique and powerful position. They have the capability to disrupt the structural violence against women by refusing to participate in female foeticide. The session was very informative and the number of participants benefitted from the seminar was 102.</p>
