ACTION TAKEN REPORT – ACADEMIC 2021-2022

With reference to the feedback received from students, teachers, alumni, and professionals, a comprehensive Annual Action Taken Report of the Academic 2021-22 as mentioned below:

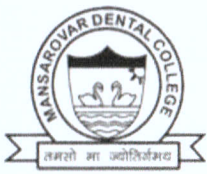

Stakeholders-Student

S. No.	Suggestion	Action Taken
1	Students expressed the need for coverage of the modern and advanced topic	Instructions were circulated to all the departments to conduct the various seminar and add-on courses. They were asked to organize hands-on learning courses, skill development, and more professionally-oriented programme.
2	Some students had problems with the evaluation scheme design for each course	Teaching faculties were asked to take class tests and assign short assignments & conduct more seminars and quizzes relevant to subject, etc.

Stakeholders-Teacher

S. No.	Suggestion	Action Taken
1	Some teachers were not able to relate the course to real-life application	These areas in which teacher expressed their dissatisfaction had been considered and were conveyed to BoS members
2	Some teachers were not able to find relevant units in the course	These areas in which teachers accept improvements had been considered and conveyed to the curriculum committee
